Mr. Dennis Gimpel  
American AVK Co  
5600 River Avenue  
Newport Beach, CA 92663

Dear Mr. Gimpel:

Subject: Acceptance of American AVK Co. Model Nos 24-20, 24-70, and 24-90  
Wet Barrel Fire Hydrants to the Approved Materials List

---

This is in reference to your application dated September 29, 2008 in which you requested the City of San Diego to evaluate the subject Wet Barrel Fire Hydrants.

In the September 16, 2009 meeting, the Water Approved Materials List Committee completed the evaluation of your products and reached a consensus to accept them.

The acceptance and approval of your products, materials, technology, processes, and installations are, however, contingent on the following conditions:

1. Any change or modification in the physical or chemical characteristics of the material, product, or equipment in question shall be advised promptly to the City of San Diego.
2. You shall also advise the City whenever the manufacturer changes, or when the ownership of the manufacturing plant is transferred, especially in connection with the formulation and manufacturing of the material, product, or equipment that has been approved.

Should you have any questions, please contact Stephanie Pang, Associate Civil Engineer at (858) 292-6428.
